秒杀(BD)黑名单解析

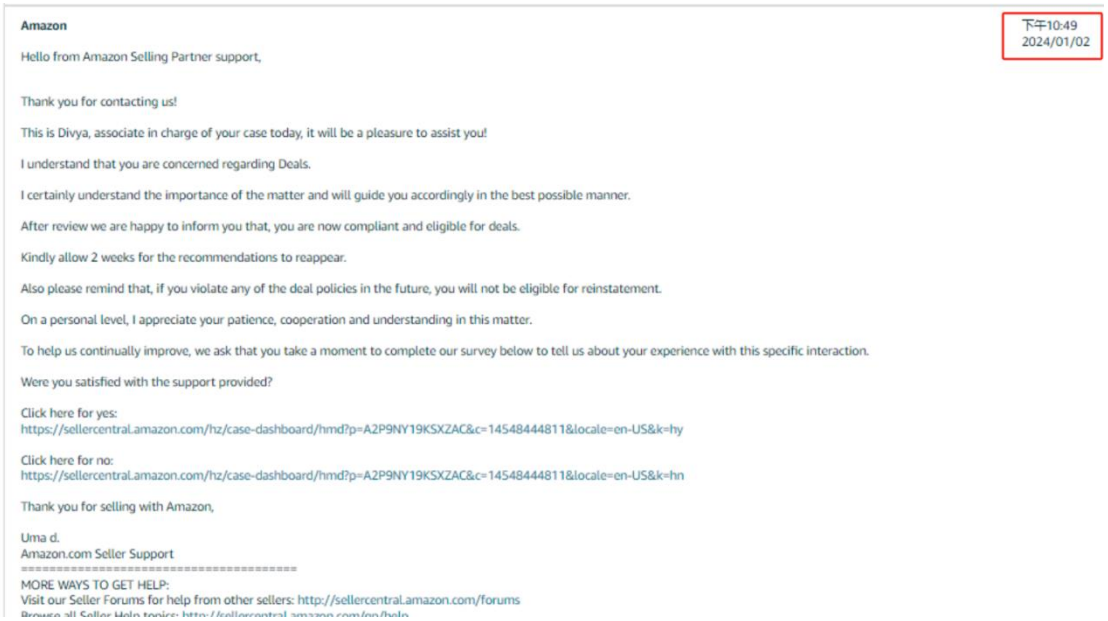

事先声明:此案例不一定 100%能够通过所有黑名单，也不是付费的渠道，是个正常人呢就可以做到。

为什么会触发这个事情呢:因为强报 BD,或者连续 BD,然后导致被人举报或者被系统扫到，导致 BD 被多次取消了。就会引起这个黑名单。

关于此次 BD 的案例:是 4 群会员呢，遇到了名单，找服务商解决要 2W 块钱，然后根据卖家互助团之前的一篇文章里面的内容尝试的去提交，第一次失败了，经验总结后,就成功了。然后呢通过高兴的内部查询,已经确定是该店铺恢复了秒杀的权限。

注意:成功后,至少要 2 个礼拜才会刷新权限回来，反正前后差不多就是半个月。

接下来就是解析了：

开 CASE,你没听错!，开 CASE，英文 CASE，就是客服入口的，不要开中文。

之前这个会员参考的是：

Dear Amazon team

Happy New Year

My name is**, the legal person of ****(company name). My ID number is ***。My Amazon store name is ***My name is**,store ID:***. On October 20th, we found that my account violated Amazon's flash killing code of conduct, frequent cancellations of flash killings
(具体的违规原因).

In response to the above errors, our business department manager conducted training for us. The following is a summary of the training：

1: All employees have re understood all relevant provisions of the Amazon backend regarding the code of conduct for flash klling.

2: Checked all links details, sales price, inventory quantity, campaign interval, etc, in the store and made all modifications regarding information that does not meet the promotional criteria to ensure they fully comply with Amazon's flash kiling code of conduct regula tions.

3: We have removed all link error mssages that have 3: We have

removed al ink eror mssges that have caued this caused this sue and have nemallyl etted oprtonal erors by our personel.

In the last 365 days of saling inthe Amazon platform, our sales have been more than 10000 orders, and we have been maintaininga 4. 9star fb rating and This product contains* variations(ASIN:**********） are new products, not restricted products, and conforms to the flash killing code of conduct. Therefore, From Octoberr 4 to 17, 2023, these flash kills which all name were “******” have been cnced serval times, ASIN involving activities include * The violaton of Amazon's flash killing code of condal email warning, failed to fully familiarize ourselves with the rules and regulations of flash killing. We realized that this was a wrong decision, not only violating the Amazon's flash killing code of conduct regulations, but also damaging customers and Amazon's trust in us.

In the future, we will re-established company rules and required all departments to fully implement the following regulations:

1: A special team has been established to promptly identify all issues with flash sales, develop product sales plans, and ensure that links are no longer violated

2: When conducting any activities in the future, we will confirm in advance the prices, details pages, available inventory, etc. of all participating Amazon activity

links that are stable and meet Amazon's requirements before applying

for Amazon activities.

3: Before the event starts, the operation team, special team, and risk control team will track the trend of store links in real-time to avoid similar problems from happening again.

4: All employees should familiarize themselves with the relevant policies on flash sales and pricing in Amazon's regulations, and hold at least one meeting every

week for a comprehensive assessment. We truly realized that Amazon's policies are crucial for driving our business development. We know that we have not

followed your policies well before, but we have firmly

detemined to continue larning from them. We have ivited an excllent tainer to povide stematic Amazon policy taining for alemployees, and we are confdent in becoming a more qualified seller in the future.

We sincerely hope that you can fll ivestgte our case and give us serious consideration. I hope you can see our eforts and give usaWe sincerely hope that you can fll ivestgte our case and give us serious consideration. I hope you can see our eforts and give us achance to correct our mistakes.

I guarantee that if there is a second offense, i will permanently be ineligible for deals with no escalation path to resolve.
